THE AUTHENTIC COLLECTOR'S SERIES

UNSC PELICAN DROPSHIP

A mainstay of the UNSC military, the Pelican dropship's primary role is to deliver troops, equipment and weaponry to and from forward combat positions, making them an essential tool in the war against the Covenant. The Pelican can deploy or evacuate UNSC forces within moments of landing thanks to its easily accessible rear bay door.

Envío Pelícano UNSC

Uno de los pilares que soportan a la milicia del UNSC, la función principal del Pelican Dropship es llevar y traer a las tropas, equipo y armamento hacia las posiciones del frente de batalla, por lo que es una de las herramientas esenciales en la guerra contra el Pacto. El Pelican puede desplegar o evacuar fuerzas de la UNSC luego de que aterrizan los tanques a través de su fácilmente accesible puerta de carga posterior.

Vaisseau Pélican du CSNU

Une pièce maitresse des forces militaires de l'UNSC, le rôle principal du véhicule Pelican est de transporter les troupes, l'équipement et les armes de l'une à l'autre des positions de combat, ce qui en fait un outil essentiel à la guerre contre les Covenant. Le Pelican peut déployer ou évacuer les forces de l'UNSC dans les moments suivants son atterrissage grâce à sa porte de baie arrière facilement accessible.

Pelican Dropship der UNSC

Als Säule der UNSC-Streitkräfte besteht die Hauptaufgabe des Truppentransporters Pelican darin, Truppen, Ausrüstung sowie Waffen zum Kampfgeschehen zu transportieren bzw. wieder abzutransportieren. Das Luftfahrzeug ist daher ein entscheidender Faktor im Kampf gegen die Allianz. Dank seiner leicht zugänglichen Heckklappe kann der Pelican UNSC-Streitkräfte innerhalb von Sekunden nach der Landung abladen bzw. evakuieren.

Pelican Dropship van de UNSC

Als steunpilaar van de militaire strijdkrachten van de UNSC is de primaire rol van het Pelican dropvliegtuig het aanleveren van troepen, uitrusting en wapens van en naar de meest geavanceerde posities, waardoor het een essentieel instrument is in de strijd tegen de Covenant. De Pelican kan in enkele momenten UNSC-krachten droppen of evacueren dankzij de gemakkelijk toegankelijke openzwaaiende achterdeur.

Pelican Dropship dei UNSC

Un punto di forza dell'UNSC, il ruolo principale della navetta Pelican è trasportare truppe, attrezzature e armi alle e dalle posizioni di combattimento avanzate, rendendole quindi uno strumento essenziale nella guerra contro l'Alleanza. Il Pelican può trasportare o evacuare le forze UNSC in pochi momenti dall'atterraggio grazie alla sua porta posteriore facilmente accessibile.

Pelican CSNU

Um dos suportes principais do exército CSNU, o principal papel do cargueiro Pelican (Pelicano) é transportar tropas, equipamento e armamento de e para posições de combate avançadas, fazendo deles ferramentas essenciais na guerra contra os Covenant. O Pelican é capaz de mobilizar ou evacuar forças CSNU em instantes após a aterragem, graças à sua porta traseira de compartimento de cargas facilmente acessível. Os quatro propulsores rotatórios de VTOL (Vertical Takeoff and Landing ou Decolagem e Aterragem Vertical) do Pelican aumentam a sua versatilidade, ao permitir que este manobre e pouse em quase todo o terreno.
